## **RESENT**MENT FELT **in england** over **President**'s note

"Man on the Street" Agrees With Press That Wording Is Too Harsh.

TOO MILD FOR BERLIN.

Washington Believes It May Stiffen the Blockade of Germany by the British.

resentful of the tone of President Wilson's note concerning the British blockade of the German coast.

Comment by the "man in the street" to-day is far more outspoken to this the war effect than were the newspapers. The blockade and deploring what they term the "harsh" wording of the communication, are careful to explain that no serious trouble is to be expressed that England may adopt her actual blockade of Germany to meet the objections of the United States that it not an actual blockade. pected between the two countries, and is not an actual blockade.

Copies of the note were delivered to-day to the Allies' embassies here and also to those of the Scandinavian Individual utterances, however, are

street and in shops and offices, is that the President had the "hyphenated higher than vital British necessities. BRITISH WAR PLANS night to be returned to the effect that Sogiand does not propose to be hampered in its life and death struggle by nelderation for America's overseas

NOTE REGARDED AS TOO MILD BY THOSE IN BERLIN. RLIN (via London), Nov. 8.mild and too late," was the general tenor of current criticism to-day of the American note to England concorning British interference with

American trade at sea. From a legal standpoint it was conceded that President Wilson made ou! able case. It was not with arguments that fault was found but with the fact that he did not back them up, as Germans evidently think he ought to have done, with some sort

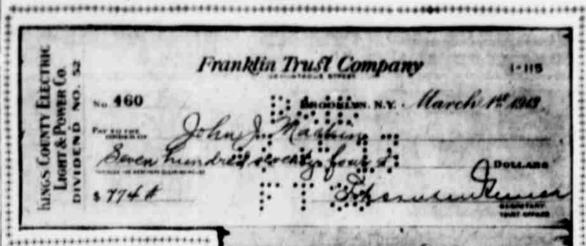

of a threat, veiled, at least. His expressions toward Germany, it was pointed out, were exceedingly severe and one of the messages he sent to Berlin was declared to asve amounted, in everything but form, to an ultimatum. With England, it was eserted that he merely argues, giv-

More than this, it was freely com-plained that, in fairness, he should have conducted his correspondence tices.

The popular view, if it is correctly reflected by what is to be heard on the satisfaction with the tenor of the note. cularly the "championing" by United States of neutral rights.

## IN HANDS OF ASQUITH AND TWO ASSOCIATES

(Continued from First Page.)

inherently defective for the purpose and that in many cases jurisdiction is asserted in violation of the law of nations.

"The United States, therefore, cannot submit to the curtailment of its therefore illegal, in conception and in nature, and intended to punish the UNITED STATES WILL CHAMemies of Great Britain for alleged fliegalities on their part. The United States might be in a position to object to them if its interests and the interests of all neutrals were unaffected by them, but, being affected. it cannot with complacence suffer ing no intimation of the course he will adopt in case he is disregarded or much or results with complacence suffer adopt in case he is disregarded or and interests to the plea that the exply with his wishes rather than ceptional geographic position of the enemies of Great Britain require or

States desires, therefore, to impress most earnestly upon His Majesty's Government that it must insist that the relations between it and His Majesty's Government be governed, not by a policy of expediency, but by those established rules of international conduct upon which Great Hritain in the past has held the United States to account when the latter Nation was a belilgerent entaged in a struggle for national existence. It is of the highest importance to neutrais, not only of the pressure of the same to neutrais, not only of the pressure of the same to neutrais, not only of the pressure of the same taken as a legal blockade exists, declaring Great Britain has been unsuccessful in her efforts to distinguish as been unsuccessful in her efforts to distinguish the successful in her efforts to distinguish as been unsuccessful in her efforts to distinguish and the people be not warned; if the sword come and take any person from among them, he is taken away in his otrade with the Scandinavian countries," and that the placing of cotton of the contraband list makes it appear that England herself admits the blockade is ineffective to prevent cotton from reaching their enemies or else is doubtful of the form of the spirit of Christianity."

The note says England blockade exists, declaring Great Britain has been unsuccessful in her efforts to distinguish the relations declaring Great Britain has been unsuccessful in her efforts to distinguish the sword come and take any person from among them, he is taken away in his own iniquity: but his blood will I require at the watchman's hand."

It was recalled to-day that William J., Bryan, in his statement assailing president Wilson's plan of prepared-necessary and the people be not warned: if the sword come and take any person from among them, he is taken away in his distinguish. neutral rights by these measures, ent day but of the future, that the which are admittedly retaliatory, and principles of international right be maintained unimpaired.

> PION NEUTRAL RIGHTS. "This task of championing the in-tegrity of neutral rights which have received the sanction of the civilized world against the lawless conduct of belligerents, arising out of the bitter-ness of the great conflict which is now wasting the countries of Europe, the United States unhesitatingly asnow wasting the countries of Europe, the United States unhesitatingly assumes, and to the accomplishment of that task it will devote its epergies, exercising always that impartiality which, from the outbreak of the war,

which, from the outbreak of the war, it has sought to exercise in its relations with the warring nations."

The United States says at the outset that it has delayed answering Great Britain's notes in the hope that the announced purpose freat Britain, "to exercise their inconsideration for the interests of neutrals." and of causing "the least possible amount of inconvenience to persons engaged in

causing "the least possible amount of inconvenience to persons engaged in legitimate trade," would, in practice, not unjustifiably infringe upon the neutral rights of American citizens.

"It is, therefore, a matter of regret," says the note, "that this hope has not been realized, but that, on the contrary, interferences with American ships and cargoes, destined in good faith to neutral ports and lawfully entitled to proceed, have become increasingly vexatious, causing American merchants to complain to this Government of the failure to take steps to prevent an exercise of belligerent power in contravention of their just rights.

"As the measures complained of the state of t
